

The Highland Lakes Elementary School PTA offers local businesses and organizations the opportunity to become a part of Highland Lakes Elementary School.

Your membership automatically makes you a member of one of the largest and the oldest child advocacy groups in this Nation. Your membership gives you a strong voice locally, in the Florida legislature and in Washington D.C.

By joining you are showing your support and lending your voice to help advocate on behalf of "everychild.onevoice".

Highland Lakes Elementary School PTA offers Community Membership for \$25.00. This will include one PTA membership (made out to a specific person in your organization) and a copy of our award-winning PTA Panther Pause newsletter published monthly. Your business will also be mentioned in our award-winning PTA Panther Pause newsletter.

Please consider joining us as a Highland Lakes Elementary School PTA Community Member this year.

Our Community Memberships will be sold until **December 31, 2010**.
